

# CELEBRATE TURNING 26

*with affordable health coverage!*

You may be wondering what to do when you're no longer covered under your parent's health plan. Fishing Partnership can help! **Turning 26 is a qualifying event** and you can now enroll on your own. Here's a checklist of the information a Fishing Partnership Navigator will need to assist you in signing up for health insurance.

## Checklist

### Basic Information

- Name, date of birth, social security number.
- Residential mailing address.

### Current Coverage End Date

- You may need to provide a coverage cancellation letter, but it is not needed at the time of applying for new coverage.

### Budget

- How much can you afford to pay for a monthly premium?
- How much could you prepare to pay for health care services?

### Primary Care Physician [PCP]

- Name and office location of your PCP.
- If you do not have PCP, do a little research online, ask a friend/family member, or a Navigator can help you identify a PCP.

### Prescription Medications

- Make a list of your medications.
- Check to see if you need a refill.
